United States Court of Appeals
FOR THE DISTRICT OF COLUMBIA CIRCUIT

No. 11-1302

September Term, 2014

Because the briefing schedule is keyed to the date of oral argument, the court will grant requests for extension of time limits only for extraordinarily compelling reasons. The briefs must contain the date the case is scheduled for oral argument at the top of the cover. See D.C. Cir. Rule 28(a)(8).

A separate order will issue regarding allocation of oral argument time.
