Booker: Will you or someone from your section be in attendance at the briefing for Mark/Zak? I just need to confirm if 1/13 at 3PM will work for OLS staff who will attend.

Thanks.

Jackie

Good morning, Jackie. Happy New Year to you too. Yes, 2009 just flew by.

Sorry, but the dates you suggest don't really work for Mark...would it be possible to schedule on Wed 1/13 at 3ish? I know it's Agenda day, but that looks to be the best I can offer for that week.

Please let us know.

Thanks,
Barbara

Barbara/Connie:

Hope all going well so far with your New Year. I still can't believe it is 2010.

Stephanie requested in the email below that I set up an internal briefing with Mark and Zak for the week of 1/11/10. Can you let me know a couple of times that look good for their schedules? I figure Booker may also attend, but will confirm who all from here will be there.

Here are some times that work well for Stephanie.

1/12 at 2PM
1/14 in PM
1/15 in AM

Thanks.

Jackie

Jackie - can you set up briefing for week of 1/11?

John/Booker - can y'all track down deadline for challenging endangerment finding?

Thanks - SBP

I hedged on response as we have not discussed challenging endangerment finding, at least not to my knowledge, given all the other issues on our plate.

I can set upr briefing for y'all if you would like on this issue.

Thanks - SBP

Hi Eric,

12:43 am?!

I do not have information for you at this time re: endangerment finding. But I will keep you posted on any developments after the new year.

And a happy New Year to you, as well!

Good morning, all. Just a quick interruption to see whether y'all know if TCEQ/Texas is planning on petitioning for D.C. Circuit review of the endangerment finding?

I represent a national organization, Coalition for Responsible Regulation, Inc. and its members, which already has filed (in fact, we believe we were the first to file), and I'd like to begin the coordination process. Plus of course we would like to see State petitioners involved, and Texas is an obvious candidate. Any insights you can provide would be helpful, including the point of contact over at the Solicitor General's office, if you know who has this one.

With best wishes for a prosperous New Year,

Eric
