Hi,

We will be in the middle of the reorg conversation at 10:30. 12 (during lunch) or 3 (during the "cascade" conversation) might be better if Aaron is flexible.

Sure, looks like 10:30 on Tuesday morning works for both of you. I'll send around a calendar invite.

Brittany/Richard, can we discuss this at your earliest convenience? The meeting is in regards to the Honest Act reforms Chairman Smith spoke with the Administrator about. I'm free this afternoon if you have a second.

Thanks!

Hey Aaron,

I wanted to follow up with you regarding Chairman Smith's meeting with Administrator Pruitt. The Chairman has been asking me for an update on the progress of convening a staff meeting as agreed to in that meeting. I understand that you have been speaking on this issue internally with the Air Office and others. Is it possible that we can set a date for this meeting to take place so that we can meet and get a better understanding of a path forward? Our schedule is pretty flexible, but would be available to meet anytime on Thursday or Friday of next week or any time the week after. Please let me know if any of these days make sense for this meeting. Again, the Chairman has been asking me daily about the status of this meeting, so want to get something on the books as quickly as possible.

Thank you,
Joe
